# EC Type Examination Certificate

No. BSI/A.1/3.38/690917

## SCHEDULE OF APPROVAL

### Conditions of Certification

- i) This BSI/A.1/3.2/690917 certificate remains valid unless cancelled or revoked, provided the conditions listed below are complied with and the equipment remains satisfactory in service.
- ii) The equipment detailed on page 1 of this certificate is to be manufactured in accordance with Conformity to Type Based on Quality Assurance of the Production Process (Module D) of the Marine Equipment Directive.
- iii) Detailed User instructions are to be provided with each product.
- iv) The manufacturer shall inform BSI of all modifications to the approved product type that may affect the conformity of the marine equipment with the requirements of the relevant standards or regulations.
- v) If the specified standards or regulations are amended during the validity of this certificate, the approved product type is to be re-approved prior to it being supplied to vessels to which the amended standards or regulations apply
- vi) Production tests are to be conducted in accordance with the applicable requirements of the IMO Resolutions and applicable standards and be recorded by the manufacturer in accordance with the approved Conformity to Type Based on Quality Assurance of the Production Process (Module D) of the Marine Equipment Directive.
