

VIKING Liferaft, means of rescue, 12 pers., - 12MOR

Material no.: L012MOR0

VIKING 12MOR liferaft.

Intended for retrieval of passengers or crew from sealevel to the deck in an emergency situation. The operation is similar to standard davit-launched liferafts and kept at the ship's side with bowing lines. The means of rescue raft is stowed in an orange rigid fibreglass container.

SOLAS/EU approved, for use onboard RO/RO passenger vessels

Carrying capacity: 12 persons lying down
