

VIKING Liferaft davit launchable 20 pers. - 20DKF

Material no.: L020DF00

VIKING Davit Launched liferaft provides safe and effective means of dry-shod evacuation and is suitable for all types of vessels, regardless of deck height or hull shape

VIKING 20DKF+ liferaft.

Davit launched type. Stowed in rigid fibreglass container as per attached drawing and approved by DNV in accordance with SOLAS/MED requirements and the relevant flag state approval. Will be delivered complete with emergency pack SOLAS A or B. The 20 persons davit launched life raft is mainly used on commercial vessels, passenger vessels and offshore installations. The VIKING davit launched liferaft is to be connected to the davit and then inflated at deck level, thus enabling the passengers to board the liferaft from deck. The liferaft is then launched to the water.

VIKING davit launched liferaft type has a high durability with an expected lifespan of 15-20 years.

Is available with either 12 months service interval or 30 months extended service interval.
