Dear Mr. Ng,

Re: Viking immersion suits

Thank you for your e-mail for the caption subject.

As stated in the Hong Kong Merchant Shipping Information Note No. 31/2004, Hong Kong Marine Department accepts materials and equipments complying with the test procedures/ standards and performance specifications laid down by IMO. In general, materials and equipments approved by a maritime authority for use on its registered ships or approved by the authorized ROs or RSOs of Hong Kong Marine Department are acceptable to be used on cargo ships registered in Hong Kong. It does not require any endorsement or approval by the Administration (Hong Kong).

Should you require any further information, please contact me.

Yours faithfully,

(T. Chan)

Surveyor of Ships
for Director of Marine
