Subject : Immersion Suits acceptance		

For the attention of Kevin Momme

Regarding the immersion suits supplied by Viking Life-Saving Equipment and approved by Force Dantest, please be advised as follows:

Force Dantest approves the subject immersion suits according to the EU-MED directive.

ABS will accept EU-MED equipment on all EU member state registered vessel.

ABS also has authorization from many flags to accept EU-MED equipment on non EU vessels.

The ABS classed Vela vessels are Liberia flag and Liberia has authorized ABS to accept EU equipment on their vessels, therefore the subject immersion suits would be acceptable on Vela International vessels.
